BILLING PROCEDURE

At the end of each month throughout the season, you will be invoiced for all games taking place within that month. Invoices will be issued via email at least 48 hours prior to the final home game of the calendar month. Payment will be required by the date specified on the invoice, which will always be the date of the final home game of the month. I accept the following methods of payment:

Interac E-Transfer (preferred)
Cheque
Cash

While my preferred method of payment is e-transfer, I do understand that team bank accounts are often not set up to allow this. Cheques are acceptable; however, I do appreciate those who make the effort to make e-transfer work through their personal accounts. Please note that if paying by cheque, late payments may result in extra fees being levied except in very specific circumstances. I rely on on-time payments in order to get by, so your co-operation is appreciated. Thanks for your understanding!

Also please note, I do not charge taxes for my services as I am not required to.

TIME CONFLICT POLICY – MILTON MINOR HOCKEY GAMES ONLY

From time to time, there will be situations where multiple clients' games are booked on top of each other at different venues, resulting in me having to miss some games. Please note that I have no control over when this occurs, however I can always guarantee that a well-trained replacement timekeeper will be provided to handle clock/gamesheet duties for affected games. I will also make every effort to ensure that the replacement can handle music as well.

Billing For Replacement Timekeepers – NEW THIS YEAR! You will be billed the full, regular game rate as if I were doing the game on your end-of-month invoice. I will now handle the payment of replacement timekeepers, so you don't have to worry about paying cash or e-transferring them like in the past. I also now retain \$10 from that game fee with the rest going to the timekeeper. For example - if the applicable game rate is \$30, I get \$10 and the timekeeper gets \$20. This compensates for the effort of training the individual and providing them with the opportunity to cover the game. Please note that if the replacement timekeeper is working towards high school volunteer hours, you will just be billed the \$10 service fee with the remainder getting waived.

PLEASE DO NOT PAY REPLACEMENTS DIRECTLY AS THIS WILL RESULT IN EXTRA CHARGES! Thanks for your understanding!
